This Email message contained an attachment named  
 image001.jpg  
 which may be a computer program. This attached computer program could  
 contain a computer virus which could cause harm to EPA's computers,  
 network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced  
 into the EPA network. EPA is deleting all computer program attachments  
 sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you  
 should contact the sender and request that they rename the file name  
 extension and resend the Email with the renamed attachment. After  
 receiving the revised Email, containing the renamed attachment, you can  
 rename the file extension to its correct name.

For further information, please contact the EPA Call Center at  
 (866) 411-4EPA (4372). The TDD number is (866) 489-4900.
